

## Dental Arts Group Announces the Grand Opening of its New Office Location in Elmer, NJ

Elmer, NJ (July 16, 2018) -- Dental Arts Group (DAG), a full service general, cosmetic and multi-specialty and multi-location dental practice in New Jersey, is pleased to announce its newest location in Elmer, New Jersey. The new Elmer location will continue to strive to spread the DAG mission of delivering happiness through the creation of beautiful and healthy smiles. New technology, techniques, and speciality care will provide opportunities for saving teeth previously not offered in Elmer, Franklinville, Monroeville, Woodstown, Clayton, Pennsville, and more surrounding towns in New Jersey.

Dental Arts Group Elmer is located at 440 Front Street, Elmer, NJ 08318, and is now accepting new patients from Elmer, Salem County, and the surrounding areas. Dental Arts Group Elmer is proud to introduce their highly-trained team consisting of compassionate dentists, in-house specialists, insurance specialists, schedulers and managers. The practice offers a full range of dental services, from cleanings to cosmetic and implant dentistry, and even treatment of sleep apnea and snoring. Families and individuals in need of restorative, cosmetic, and emergency dentistry near Elmer, NJ can contact Dental Arts Group Elmer today at 856-358-8303 to schedule an appointment.

Dental Arts Group Elmer is proud to introduce Dr. Erica Van Pelt. Dr. Van Pelt is proud to return home to South Jersey to practice at Dental Arts Group Elmer. A native of Burlington County, NJ, Dr. Van Pelt graduated from NYU College of Dentistry, where she completed an honors program in fixed prosthodontics. After graduating, she was accepted into Monmouth Medical Center's General Practice Residency program in Long Branch, NJ, and is currently a member of the American Dental Association and the Academy of General Dentistry.. The team at Dental Arts Group Elmer performs routine cleaning and hygiene visits for all ages. Other hallmark services include fillings, root canals, dental implants and crowns, Invisalign/Braces, and various general and cosmetic treatment including KOR whitening and deep bleaching.

From Manalapan to Manahawkin, Pitman and Voorhees, and now Elmer, patients come to this dental practice for the unparalleled level of care and attention the group gives each patient. By embracing modern technology and innovative equipment, DAG has proven that they are committed to providing the highest quality care to help patients achieve beautiful smiles.

Dental Arts Group Elmer is welcoming home new patients looking for a new dentist in 08318, 08322, 08343, 08098, 08312, and more. Contact Dental Arts Group Elmer at 856-358-8303.
